

# SURVEYING (SUR)

---

## **SUR 119 # - Construction Surveying**

**Units: 3**

The objectives of the course are to introduce the principles and methods associated with basic surveying for construction projects and layout purposes. Training to develop proper field note-taking procedures and the use of surveying field equipment is emphasized in labs (tape, level and transit).

*Transferability: May not transfer towards an NSHE bachelor's degree*

*Enrollment Requirements: Prerequisite: MATH 108*

## **SUR 161 # - Elementary Surveying**

**Units: 4**

A basic course designed to impart basic knowledge of the surveying discipline, plus training in the use of traditional and basic surveying equipment (tape, level and transit).

*Enrollment Requirements: Prerequisite: MATH 126 or instructor's approval.*

*Term Offered: Spring and Fall*
