

MUSIC RECORDING TECHNOLOGY, SC

PSLO2: Students completing the skills certificate will apply Digital Audio Workstation (DAW) hardware and software in the creation of recorded music.

Program Description

The Skills Certificate, Music Recording Technology, develops the skills and training necessary to be successful in entry-level recording studio positions and other music recording jobs, and provides a pathway to a career in the music and entertainment industry, or to pursue further education in Music Technology.

Recommended Course Schedule

1st semester		Units
MUS 101	Music Fundamentals	3
MUS 231	Recording Technology I	3
MUS 239	Virtual Studio Technology I	3
Semester Total		9
2nd semester		Units
MUS 232	Recording Technology II	3
MUS 240	Virtual Studio Technology II	3
Semester Total		6
Total Units		15

Program Requirements

Skills Certificates can consist of a single course or a short set of courses that provide training for entry-level positions or career advancement. These short-term certificates may also prepare students to take state, national and/or industry-recognized certifications or licensing exams.

Skills certificates are awarded upon completion of coursework and marked on a student's transcripts at the end of the semester. Students cannot declare a skills certificate as one's major. Skills Certificates are not eligible for Financial Aid.

To earn a skills certificate, students must:

1. Maintain a minimum cumulative GPA of 2.0.
2. Have no financial or library obligation to the college.

Code	Title	Units
