

# HEALTH SCIENCES, CERTIFICATE OF ACHIEVEMENT

---

The Health Sciences, Certificate of Achievement Tracks prepare students for entry-level employment in allied health and fulfills many prerequisite requirements for accredited health sciences training programs. Students completing one of these certificates may gain an advantage in the competitive selection process of health sciences programs.

## Tracks

- Phlebotomy (<http://catalog.tmcc.edu/degrees-certificates/programs/biology/health-sciences-phlebotomy-ca>)
- Pre-Paramedic (<http://catalog.tmcc.edu/degrees-certificates/programs/biology/health-sciences-preparamedic-ca>)
- Radiologic Technician (<http://catalog.tmcc.edu/degrees-certificates/programs/biology/health-sciences-radiologic-ca>)

## Gainful Employment

While all of the educational programs at Truckee Meadows Community College are designed to lead to either employment or transfer, the Department of Education requires that we provide information on specific certificate programs. More information on Gainful Employment (<http://www.tmcc.edu/financial-aid/consumer-information/gainful-employment>) is available on the TMCC website. We hope this information is helpful to you as you make your career and educational choices.
