

ASSOCIATE OF ARTS - EARLY CHILDHOOD EDUCATION EMPHASIS

The Associate of Arts in early childhood education is designed to serve students either as a stand-alone associate degree, or as a university transfer degree. The transfer option allows students to complete specific lower division courses at TMCC and obtain an Associate of Arts degree in early childhood education; and then transfer to UNR as a junior to complete a bachelor of science degree in human development and family studies. Students are encouraged to obtain academic advisement from early childhood education faculty to facilitate the university transfer process.

Emphasis Outcomes

Students completing this emphasis will:

- Demonstrate competence in the knowledge and skills defined in the National Association for the Education of Young Children (NAEYC) Early Childhood Associate Degree Accreditation (ECADA) Standards for Initial and Advanced Early Childhood Professional Preparation Programs.
 - a. Promoting Child Development and Learning
 - b. Building Family and Community Relationships
 - c. Observing, Documenting, and Assessing to Support Young Children and Families
 - d. Using Developmentally Effective Approaches
 - e. Using Content Knowledge to Build Meaningful Curriculum
 - f. Becoming a Professional
- Demonstrate proficiency as a preschool teacher in an early childhood program.
- Demonstrate the scope of knowledge and skills required to gain entry into a baccalaureate degree program.

Accreditation

The AA Degree - Early Childhood Education is accredited by the National Association for the Education of Young Children (NAEYC) Early Childhood Associate Degree Accreditation (ECADA).

Field Experience and Practicum Experience:

All ECE degrees require courses with field experience and practicum experience in early childhood classrooms with young children (birth to age five). Field experiences and practicum experiences are focused student teaching experiences that require the student to demonstrate specific skills in an early childhood classroom with young children.

- Students must complete the practicum experience through TMCC.
- Students are required to have fingerprints, an approved background check, and a clear TB test prior to enrolling in courses with field

experience or practicum experience. If a student fails to meet these requirements, or if the background check is not approved, the student will not be permitted to participate in courses with field experience or practicum experience.

- Students must meet all of the prerequisite/corequisite requirements, as well as have the practicum instructor's approval prior to enrolling in a practicum course.
- Two semesters of practicum are required. Students must complete the practicum courses in two, consecutive fall and spring semesters, during the final year of the ECE program of study.
- Students must work with the practicum instructor to arrange a practicum schedule and placement site.

AA/AS degrees are designed for students who plan to transfer to a four-year college or university.

To earn an AA/AS degree, students must:

1. Maintain a minimum cumulative GPA of 2.0 (see requirements for graduation.)
2. Complete a minimum of 15 units within the college.
3. Satisfy General Education requirements for the AA/AS (<http://catalog.tmcc.edu/degrees-certificates/general-education/aa-as>).
4. Have no financial or library obligation to the college.
