

ACCOUNTING, COA

This program can be completed 100% online.

Program Description

The Certificate of Achievement, Accounting is designed to enable students to develop a theoretical framework in Accounting and builds on the knowledge gained in the Certificate of Achievement, Bookkeeping. The accounting theoretical framework classifies financial information based primarily on relevance and reliability. Students will acquire the skills necessary to analyze accounting principles and communicate and present financial information in the professional manner expected in the industry.

Program Requirements

Certificates of Achievement are a set of courses that can serve as a stepping stone to an associate degree or allow students to enter the workforce. Certificates of Achievement have a general education component.

To earn a Certificate of Achievement, students must:

1. Maintain a minimum cumulative GPA of 2.0 (see requirements for graduation.)

2. Complete a minimum of 15 semester credit hours within the college.
3. Satisfy General Education requirements for the Certificate of Achievement (<https://catalog.tmcc.edu/degrees-certificates/general-education/aas/>).
4. Have no financial or library obligation to the college.
