# **CRIMINAL JUSTICE, AA**

# Program Code: Criminal Justice-AA Program Description

TMCC's Associate of Arts, Criminal Justice degree is designed for students wishing to explore or enter a highly rewarding career in the criminal justice system (https://www.tmcc.edu/criminal-justice/). It is designed as either a stand-alone associate degree in the field of criminal justice or as a university transfer option to UNR. The transfer option allows students to earn their university required lower division courses upon completion of their Associate of Arts.

Students are strongly encouraged to obtain academic advisement at TMCC for courses that are consistent with the UNR - TMCC transfer agreement to ensure a smooth transition in the university transfer process.

## **Transfer Agreements**

AA/AS degrees are designed for students who plan to transfer to a fouryear college or university. General information about general transfer agreements can be found on the Academic Advisement website (https:// www.tmcc.edu/advisement/transfer-students/transfer-agreements/). Students who intend to transfer to another college or university should speak with a TMCC Academic Advisor and consult with that institution. The transfer institution determines how TMCC courses will transfer. TMCC has agreements with the following institutions towards a bachelor's degree in the same or similar discipline.

 University of Nevada, Reno (https://www.unr.edu/admissions/ transfer/credits/transfer-agreements/)
