HUMAN DEVELOPMENT AND FAMILY STUDIES, AA

Program Code: Human Dev and Family Stud-AA

Program Description

The Human Development and Family Studies emphasis prepares students to work with children, youth, and families in a variety of settings. The program is a study of theories and research of the human lifecycle, family systems, and the larger socio-economic environment. The Associate of Arts degree is designed to transfer to UNR. Students complete lower division courses at TMCC and then transfer to UNR to complete a Bachelor of Science degree in HDFS. Students are encouraged to obtain academic advisement to facilitate the university transfer process.

PSL01: Investigate the historical, cultural, and theoretical contexts of the science of human development.

PSLO2: Define and examine characteristics of diverse families and family systems.

PSLO3: Demonstrate understanding of the physical, cognitive and socialemotional developmental domains of the human lifecycle. PSLO4: Demonstrate skill in oral and written communication related to the study of Human Development.

Transfer Agreements

AA/AS degrees are designed for students who plan to transfer to a fouryear college or university. General information about general transfer agreements can be found on the Academic Advisement website (https:// www.tmcc.edu/advisement/transfer-students/transfer-agreements/). Students who intend to transfer to another college or university should speak with a TMCC Academic Advisor and consult with that institution. The transfer institution determines how TMCC courses will transfer. TMCC has agreements with the following institutions towards a bachelor's degree in the same or similar discipline.

 University of Nevada, Reno (https://www.unr.edu/admissions/ transfer/credits/transfer-agreements/)

A student must maintain a cumulative grade point average of 2.0 (C) or better, and a minimum grade of "C" must be earned in each of the degree and elective requirements.

⁵ EDU 208 requires prerequisite of EDU 203.
