

# LOGISTICS TRANSPORTATION ANALYST, SC

LGM 212	Transportation Management	3
<b>Total Units</b>		<b>12</b>

**This program can be completed 100% online.**

## Program Description

If you're interested in the fast-paced world of logistics, this certificate can help you move your career forward. In just two semesters, you'll build practical skills in managing the movement of goods—whether across town or across the globe. You'll explore key topics like international logistics, procurement, and transportation management while learning how supply chains operate and how to keep them running smoothly. Designed for working adults, recent graduates, and career changers alike, this certificate prepares you for entry-level analyst roles in transportation, logistics coordination, and supply chain support. Whether you're starting fresh or looking to grow in your current role, this hands-on program will give you tools employers value and open doors in a growing industry.

## Recommended Course Schedule

### First Year

1st semester		Units
LGM 202	International Logistics Management	3
LGM 212	Transportation Management	3
<b>Semester Total</b>		<b>6</b>
2nd semester		
LGM 201	Essentials of Logistics Management	3
LGM 210	Studies in Procurement and Logistics	3
<b>Semester Total</b>		<b>6</b>
<b>Total Units</b>		<b>12</b>

## Program Requirements

Skills Certificates can consist of a single course or a short set of courses that provide training for entry-level positions or career advancement. These short-term certificates may also prepare students to take state, national and/or industry-recognized certifications or licensing exams.

Skills certificates are awarded upon completion of coursework and marked on a student's transcripts at the end of the semester. Students cannot declare a skills certificate as one's major. Skills Certificates are not eligible for Financial Aid.

To earn a skills certificate, students must:

1. Maintain a minimum cumulative GPA of 2.0.
2. Have no financial or library obligation to the college.

Code	Title	Units
<b>CERTIFICATE REQUIREMENTS</b>
