## Program Outcomes

Students completing the certificate will:

- PSLO1: Be proficient in two welding processes.
- PSLO2: Be proficient in the beginning level procedures and concepts of programming, set up, and operation of CNC equipment.
- PSLO3: Interpret blueprints that translate into the production of the part to print specification using CNC equipment.
- PSLO4: Effectively communicate with instructor and students.
- PSLO5: Work safely with equipment as per industry standards.

## Program Requirements

Certificates of Achievement are a set of courses that can serve as a stepping stone to an associate degree or allow students to enter the workforce. Certificates of Achievement have a general education component.

To earn a Certificate of Achievement, students must:

1. Maintain a minimum cumulative GPA of 2.0 (see requirements for graduation.)
2. Complete a minimum of 15 semester credit hours within the college.
3. Satisfy General Education requirements for the Certificate of Achievement (<http://catalog.tmcc.edu/degrees-certificates/general-education/aas/>).
4. Have no financial or library obligation to the college.
