registration fees. The total number of credits, taken either for grade
or audit, will be calculated in determining assessment of nonresident
tuition. Registration in Summer courses, which are not state-funded,
shall not cause nonresident tuition to be assessed. In conformity with
Sections 10.020 and 396.540, in the Nevada Revised Statutes, students
who register for courses with TMCC as Nevada residents must provide
proof of residency. Residency requirements can be obtained from
the Admissions and Records Office (http://www.tmcc.edu/admissions/).
The regulations for determining residency and tuition charges are
described in the Board of Regents Handbook, Title 4, Chapter 15, Section
3 printed in Regulations for Determining Residency and Tuition Charges
of this College Catalog.

Application Fee
A $20.00 one-time, non-refundable fee is charged to first-time TMCC
students only. This fee is assessed when a student enrolls or attempts to
enroll in a class or course at TMCC. This fee cannot be refunded, even if
the class or course is canceled by the institution.

Health and Sport Fee
A $5.00 per credit fee shall be charged to all students. This fee supports
the Health and Sports facility and the operation of competitive athletic
teams at Truckee Meadows Community College.

Student Association Fee
A $1.00 per credit fee shall be charged to all students.

Excess Credit Fee
Effective Fall 2021, institutions will no longer charge students an "excess
credit fee" for the accumulation of credits in excess of those required for
a student's program of study.

Western Undergraduate Exchange (WUE)
The Western Undergraduate Exchange (http://wue.wiche.edu/) (WUE) is
a program of the Western Interstate Commission for Higher Education
(http://www.wiche.edu/) (WICHE). Through WUE, students in western
states may enroll in many two-year and four-year college programs at
a reduced tuition level: 150 percent of the institution's regular resident
tuition. To be eligible for WUE, students must be a resident of a WICHE
State. Some colleges and universities have additional criteria. For further
information about specific programs in WUE, contact the Admissions and
Records Office (http://www.tmcc.edu/admissions/).

Distance Education/Out-of-State Tuition
Students who physically reside outside the state of Nevada and who
take online classes only may be eligible for a special distance education
rate. To apply, students should submit the Request for Distance
Education Special Tuition Rate form (http://www.tmcc.edu/admissions/
downloads/) to the Admissions and Records Office.

Lab and Special Fees
Some classes have additional lab fees or costs for supplies; refer to
the class schedule (http://schedule.tmcc.edu/) for details. These fees are
added to the per-credit class fees.

Technology Fee
Fees printed in the class schedule include the $9.50 per credit technology
fee approved by the NSHE Board of Regents (http://system.nevada.edu/
Nshe/index.cfm/administration/board-of-regents/).
